

EMPLOYEE LEAVE REQUEST

Employee Name:	Siddharth Mehta
Job Title:	Cloud Architect
Department:	Infrastructure
Type of Leave:	Compensatory Leave
Requested Dates:	June 18, 2026 to June 19, 2026 (2 working days)

REASON FOR REQUEST & COVERAGE PLAN

I am requesting compensatory time off in recognition of the extended overnight hours worked during the Q2 cloud database migration cycle. All infrastructure metrics are stable. Elena Rostova is fully aware of our current environment parameters and can mitigate any server issues.

I confirm that I have updated my calendar and set up appropriate out-of-office notifications. I understand that this request is subject to operational manager approval.
