

CYBERSECURITY CONTROL ASSESSMENT REPORT

MATRIX GROUP GLOBAL LLC • ENTERPRISE SECURITY & COMPLIANCE OPERATIONS

Audit Control ID	SEC-2026-803	Assessment Date	May 30, 2026
Target Organization	Vanguard Healthcare Group		
Lead Lead Assessor	Naomi Albright, CISM	Assessment Scope	Patient Portal Application & Data Privacy Compliance

OVERALL SECURITY POSTURE SCORE: 91/100 (EXCELLENT)

1. KEY VULNERABILITY / COMPLIANCE FINDING

Legacy session validation cookies lack the 'SameSite' attribute, rendering client portal authentication interfaces vulnerable to CSRF attacks.

2. MANDATORY SECURITY REMEDIATION DIRECTIVES

Inject secure HTTP header flags globally across the production reverse-proxy fleet and reduce active token lifespans to 15 minutes.

This document represents an internal, legally privileged security assessment. Dissemination must adhere strictly to established corporate security verification policies.
