

CYBERSECURITY CONTROL ASSESSMENT REPORT

MATRIX GROUP GLOBAL LLC • ENTERPRISE SECURITY & COMPLIANCE OPERATIONS

Audit Control ID	SEC-2026-804	Assessment Date	May 30, 2026
Target Organization	Apex Retail Ventures Ltd.		
Lead Lead Assessor	David Miller, CEH	Assessment Scope	Point-of-Sale (POS) Terminal Endpoint Auditing

OVERALL SECURITY POSTURE SCORE: 75/100 (NEEDS IMPROVEMENT)

1. KEY VULNERABILITY / COMPLIANCE FINDING

Localized point-of-sale firmware deployments run obsolete cryptographic packages susceptible to modern protocol downgrade exploits.

2. MANDATORY SECURITY REMEDIATION DIRECTIVES

Initiate an automated, staggered patch cycle across retail terminals to upgrade hashing components to SHA-256 equivalent standards.

This document represents an internal, legally privileged security assessment. Dissemination must adhere strictly to established corporate security verification policies.
