

CYBERSECURITY CONTROL ASSESSMENT REPORT

MATRIX GROUP GLOBAL LLC • ENTERPRISE SECURITY & COMPLIANCE OPERATIONS

Audit Control ID	SEC-2026-805	Assessment Date	May 30, 2026
Target Organization	Lumina FinTech Global		
Lead Lead Assessor	Marcus Vance, CISA	Assessment Scope	High-Frequency Transaction Gateway Infrastructure

OVERALL SECURITY POSTURE SCORE: 96/100 (EXCEPTIONAL)

1. KEY VULNERABILITY / COMPLIANCE FINDING

Minor log-injection parameters are unparsed by secondary ledger tracking databases, presenting low-impact debugging string anomalies.

2. MANDATORY SECURITY REMEDIATION DIRECTIVES

Update internal input sanitization functions to strip non-alphanumeric expressions from transaction comment streams.

This document represents an internal, legally privileged security assessment. Dissemination must adhere strictly to established corporate security verification policies.
