

CYBERSECURITY CONTROL ASSESSMENT REPORT

MATRIX GROUP GLOBAL LLC • ENTERPRISE SECURITY & COMPLIANCE OPERATIONS

Audit Control ID	SEC-2026-808	Assessment Date	May 30, 2026
Target Organization	Zephyr Aerospace Technologies		
Lead Lead Assessor	Siddharth Mehta, CISSP	Assessment Scope	Avionics Simulation Code Signing & Supply Chain

OVERALL SECURITY POSTURE SCORE: 94/100 (EXCELLENT)

1. KEY VULNERABILITY / COMPLIANCE FINDING

Third-party dynamic link libraries (DLLs) lack modern code-signing certificates, presenting long-term integrity tracking challenges.

2. MANDATORY SECURITY REMEDIATION DIRECTIVES

Mandate cryptographic code signatures from all upstream software vendor development modules prior to compiling builds.

This document represents an internal, legally privileged security assessment. Dissemination must adhere strictly to established corporate security verification policies.
