

CYBERSECURITY CONTROL ASSESSMENT REPORT

MATRIX GROUP GLOBAL LLC • ENTERPRISE SECURITY & COMPLIANCE OPERATIONS

Audit Control ID	SEC-2026-811	Assessment Date	May 30, 2026
Target Organization	Stellar Logistics Corp		
Lead Lead Assessor	Siddharth Mehta, CISSP	Assessment Scope	Cross-Docking Terminal Network Operations

OVERALL SECURITY POSTURE SCORE: 71/100 (NEEDS IMPROVEMENT)

1. KEY VULNERABILITY / COMPLIANCE FINDING

Local terminal management stations operate using generic local administrator accounts shared across changing operational shifts.

2. MANDATORY SECURITY REMEDIATION DIRECTIVES

Integrate terminal access with the corporate identity framework to enforce personal, auditable account logging requirements.

This document represents an internal, legally privileged security assessment. Dissemination must adhere strictly to established corporate security verification policies.
