

IT OPERATIONS INCIDENT REPORT

MATRIX GROUP GLOBAL LLC • ENTERPRISE INFRASTRUCTURE LOG

Incident ID	INC-2026-106	Severity Level	P3 - Moderate
Incident Title	Creative Asset Repository Access Denial		
Reported By	Chloe Lin	Role / Department	Content Designer (Creative Studio)
Log Date	May 30, 2026		

1. INCIDENT SUMMARY & OPERATIONAL IMPACT

Designers were unable to pull or push high-gloss print assets or presentation layouts from the centralized cloud-hosted asset repository.

2. ROOT CAUSE ANALYSIS (RCA) PARAMETERS

An automated security policy misconfigured the group access control list, revoking valid permissions during a routine platform update.

3. MITIGATION & RESOLUTION PROCEDURES

Manually rebuilt the specific user access control profile parameters and validated repository communication tokens across the creative team.
